# DMC

SAN DIEGO'S ORIGINAL  
DEL MAR CIGAR CLUB  
FOUNDED IN 2009

Dear Sponsor:

We would like to thank you in advance for your commitment to sponsor our June 2015 Event.

**The DMC was founded in 2009** and was created to bring back old world professionalism, integrity, and respect to the world of business. At each and every one of our meetings, you can expect to mingle and network with like minded business owners and professionals. We believe in an atmosphere where a person's word is taken seriously; a hand shake is your word and is not given lightly; and proper etiquette, communication, and respect are demanded from all. This group has true integrity and meaning.

#### WHAT SETS US APART

**The DMC is unlike any other** networking or cigar club anywhere in Southern California. Membership and invitations are not open to the public. We care about Quality, not Quantity. We accept only REAL people; like minded men and women with honesty, integrity and great personalities; people we can trust to do business with. Since our inception in 2009, we have seen many other new networking groups and cigar clubs attempt to copy our business model. And while imitation is the sincerest form of flattery, nobody else has managed to capture the true value and essence that the DMC provides. We are the Original Cigar Club and nobody else comes close!

#### HEAR WHAT OTHERS HAVE TO SAY

*"I love what you guys have done with the club. I'm sure I don't have to tell you, but you certainly attract some of the most influential decision makers in the city."*

*-Jim Porter*

## BENEFITS OF SPONSORSHIP

**Sponsorship is the fastest growing form of marketing in the U.S.** With this in mind, you can find unlimited opportunities to broaden your competitive advantage by increasing your credibility, image and prestige in sponsoring an event to attract your target market. Sponsoring a DMC Event presents a unique opportunity for businesses within their industry to highlight their commitment and support to their community.

Attendance from previous events shows that 100% of attendees are middle to senior level decision makers representing all sectors of San Diego businesses. This provides exceptional value for sponsors seeking networking and relationship building with those in similar industries.

The DMC will introduce your company to a variety of wealthy and influential entrepreneurs, business owners, and future clients. Our mailing list is over 2,000 people strong all across San Diego, Orange County, and Los Angeles - giving you maximum exposure to the right people.

Please select your choice from the following available packages that best reflects your commitment and remit your payment no later than August 05th, 2014. This will assist us in meeting all deadlines to ensure a successful production of this event.
